The founding principles of 'Traditional Unionist Voice' are as follows:-

1. To maintain and strengthen Northern Ireland as an integral part of the United Kingdom and oppose Irish unification.
2. To ensure that any system of executive devolution is compatible with democratic principles and precedents prevailing elsewhere in the United Kingdom. In the absence of acceptable devolution Northern Ireland should be governed accountably as an integral part of the United Kingdom, having due regard to the prevailing regional ethos and values, and without unique, contrived political links to the Republic of Ireland.
3. To have the rule of law prevail in every part of Northern Ireland and be administered without fear or favour.
4. To support and promote traditional family values.
